In collaboration with the UAE Ministry of Climate Change and Environment, the UAE Embassy in Seoul promotes public-private partnerships on sustainable agriculture and food security.

In this seminar workshop, the UAE ministry and relevant representatives are to share the current trend, and the related strategic policies on agriculture and food security to suggest building up the sustainable partnership with Korean entities.

Speakers

Wassim Y. Said | UAE Ministry of Climate Change and Environment

- He is the Advisor to the UAE Minister of Climate Change and Environment.
- As a former advisor to the Minister of State for Food and Water Security, he was also responsible for the development of the national food security strategy aimed at expediting agricultural management reforms, the adoption of AgTech, enforcing water conservation policies, modernizing Agrifood sector regulations, and aligning with federal sustainability mandates.

Yoon-Suk, Lee | KEZAD GROUP

- He is an advisor in the Middle East and currently CEO of KEZAD, a business and industrial real estate solutions company in the UAE and JS Internationald.
- In this workshop, Mr.Lee would explain the current status of agricultural and food technology in the Middle East and opportunities for collaboration.

Hyun-ji, Han | Abu Dhabi Investment Office

- As the Marketing and Business Development Coordinator of South Korea at Abu Dhabi Investment Office (ADIO), Ms.Han is focusing on promoting Abu Dhabi's business environment to facilitate Korean investment and marketing development including event coordination.
